Our Thoughts

Following another assault on an Ambulance Paramedic, this time on the Sunshine Coast means that it may be necessary for these paramedics to be trained in self-defence.

This is just another hurdle to the Ambulance service when it comes to delivering reliable prompt professional services.

How has it come to this point in our community. Along with the increasing level of road rage, impolite manners and personal aggression this is just another facet of our "angry, self-centered" way of living.

When is enough enough?

Maleny Soccer Players "sign-on"

The Maleny Soccer Club will be holding a "sign-on and registration" day at the Maleny Showgrounds Main Pavilion on Saturday February 7th between 9a.m. and 1p.m.

In conjunction with this "sign-on" there will be a FREE sausage sizzle.

There will also be a sale of uniforms, shinpads and caps for those who need new gear.

If you have any queries regarding registration you can contact John Brown on 5494 2466.

Arts Connect at Montville

February 14th is Valentine's Day and Montville is having a "Love-in".

From 9.30am to 3.30pm St Marys Hall and the Village Green will be agog with a diverse range of activities.

Arts Connect Inc. is a membership driven association of visual and performing artists that seeks to stimulate and connect Range residents through the arts.

They provide support for their members who teach as well as arranging bus trips to Brisbane exhibitions and performances. They also hold regular meetings and social events.

Their 2008 tutors and students will exhibit works for sale in the Hall and other members will display their craft under canopies on the Green. Watercolours, pastels and acrylics will be on display and demonstrations of clay carving techniques and polymer clay jewelry making held throughout the day.

A storyteller and puppeteer will enchant the Tiny Tots and a Kids Korner will invite children to create with paint and collage.

A community FUNdraiser offer-

ing 'spaces to paint' will produce a giant mural for Teralba, the Mapleton home for disabled men.

Musicians will be busking throughout the day with flautists from 'Arts for Peacemakers' who will also make marimbas available for children 'to try'.

Medieval, Celtic and Breton songs accompanied by the Hurdy Gurdy will be performed in the morning and popular classics from a talented young String Duo in the afternoon.

The Montville Firies will be raising funds for their Brigade with a sausage sizzle and information will be available about the Blackall Range Care Cottage fundraiser concert in March.

February 14th will be a wonderfully diverse showcase of local artists, organisations and activities.
