Maleny Remembers! ...with the rest of Australia

Along with the rest of Australia at 11am on November 11th, the people of Maleny paused to remembered those service people who have fought and paid high prices to keep Australia a free and democratic country. This tradition goes back to 1918 when the official cease fire on the Western Front was honoured and the fields of Flanders and other regions fell silent.

Unfortunately, the number of people attending the traditional ceremony at Maleny does not number anywhere near the numbers who attend the AZAC Day ceremony, but those who did attend would have been struck by the sincerity of the occasion.

Students from the Maleny High School, Primary School and the River school all made presentations to the ceremony in memory of those who have fallen.

Members of the Naval Cadets TS Centaur which is based in Maleny carried out the duties of the Catafalque Party and mounted guard over the Maleny Memorial Flame. *(See photo below)*

Supplementing the guard duties were members of the 5th Light Horse - Maleny Troop.

The official address was given by local businessman, Mr. Graham Hart who spoke

Who are the Friends of Ebenezer?

Over the last few weeks we have carried a number of stories about the work in Zambia carried out by The Friends of Ebenezer. I had a query from a reader, "Just who are the Friends of Ebenezer?"

As a result of this query I went and spoke to Maleny resident Lenore Burton who is a Director of the Friends of Ebenezer.

The F.O.E.A Inc. is a Maleny based, Registered Charity dedicated to saving underprivileged children's lives through the Ebenezer Trust School and Childrens' Village, in Livingstone Zambia.

The Group is an Incorporated home grown, grass roots and no frills group operating from right in the heart of Maleny.

Not only are all of the members volunteers but they also incur their own costs such as phone, internet, petrol and any necessary travel costs.

As a result 100% of all donated and sponsorship monies goes directly to the Ebenezer work in Livingstone. All accounts undergo regular auditing.

Mrs Burton said, "There are no

fingers in the pie either here in Australia or in Livingstone as Mrs Ranji Chara the Director of the Ebenezer Childcare Trust handles the money and she is scrupulously honest and all her dealings are above board."

And all monies sent to Ebenezer are used for the purposes specified! Tax receipts are available for donations over \$2.00

The group is holding their last major fund raising event for the year at On Mountain View Restaurant on Saturday 20th November.

This would be a great opportunity to not only make new Friends but find out about the work this organisation does.

Once you have met Lenore and spoken with her about this project you cannot help but be enthused about the group.

Jeremy the own of the restaurant is offering a 3 course African style dinner. Drinks are available for sale from the bar from 6.15 pm onwards with dinner to follow.

Through the generosity of Malcolm Holz there will be great music and also a special guest appearance of Nat Richy and daughter Nisa two of Maleny's best drummers will bring an added component to the evening. Both Reuben Park and Marcus Leiman (born in Zambia) will provide a lively auction and there will be a 3-draw raffle.

Pre-paid tickets essential and are available from the Bower Bird in Maple St Maleny, from the Network Video in Landsborough or from Lenore on 54 296 194 at \$55.00 each.

Healthy Fruit Slice

- EASY TO MAKE! AND HEALTHY, TOO!

Ingredients

- * 1 cup raw sugar
- * 1/2 cup desiccated coconut
- * 1 cup sultanas
- * 1 cup wholemeal flour
- * 1/2 cup Kelloggs All Bran
- * 1 egg
- * 1 cup chopped dried apple, chopped
- * 1 cup dried apricots, diced
- * 4 ounces butter
- * 1 tablespoon golden syrup

Directions

Thoroughly mix together dry ingredients in a bowl. Melt butter with golden syrup in a small saucepan, add beaten egg and pour ingredients into the bowl containing dry ingredients.

Press health slice into a lined slab tin. Sprinkle with a tablespoon of raw sugar and bake in a moderate oven for 30 minutes.

The "NUT" Award

It matters little what the monetary penalty is or how much education is given there are some drivers who just will not take notice of the road rules.

They are not only a danger to themselves but they are a danger to other road users who have no control over the prevailing situation, not through their actions but the actions of the inconsiderate drivers.

Each week we will bring you the contender for the weekly "NUT" award - that is the weakest part of the car's safety - "The Nut behind the wheel"...

Let us see if we can do our little bit to improve road safety around our town.

If you know the person mentioned please have a quiet word to them.

This week's award goes to: - the impatient middle aged woman in the white SUV who on Thursday at about 11.45a.m. in front of the Pumhouse who was waving her arms and trying to hurry up the driver of a small silver sedan who was waiting to turn right towards the High School.

Truthful Jones Tells us that

At the Brisbane Airport today an individual, later discovered to be a public school teacher, was arrested trying to board a flight while in possession of a ruler, a protractor, a square, a slide rule, and a calculator.

The Attorney General believes the man is a member of the notorious Al-gebra movement. He is being charged with carrying weapons of math instruction.

"Al-gebra is a very fearsome cult, indeed", the Attorney General said. "They desire average solutions by means and extremes, and sometimes go off on a tangent in a search of absolute value.

They consist of quite shadowy figures, with names like "x" and "y", and, although they are frequently referred to as "unknowns", we know they really belong to a common denominator and are part of the axis of medieval with coordinates in every country.

"As the great Greek philanderer Isosceles used to say, there are three sides to every triangle."

When asked to comment on the arrest, Premier Anna said, "If God had wanted us to have better weapons of math instruction, He would have given us more fingers and toes."

Morale; Politicians will put whatever spin on circumstances to suit themselves - the actual circumstances often bear no relationship to the explanations given by those politicians.

It all depends on the politicians political needs at the time.

Woodford Festival just around the corner.....

The 25th annual Woodford Folk Festival will get off to a great start on the 27th December with an impressive line up to launch the festival's 2010 program.

Longrange forecaster for Channel Seven, Ken Ring, of www.predictweather.com, says Christmas rain should mostly clear by 27th December so this year's festival should be a great one.

The 2010 Folk Festival runs for six days and nights from the 27th December through to the 1st of January. This year over 3000 performers and artists, thinkers and cultural activists, environmentalists and comedians, and two former Prime Ministers will all perform during those six days.

The Opening Ceremony at the Amphitheatre begins at 7pm, and in true Woodford style promises an equal share of ritual and ridiculousness, all the way from the mass audience singalong, the pledge of allegiance, through to fireworks and finally a dance-floor meltdown.

Getting to the Festival this year is also easier. Public transport is

feasible for many – simply catch a train to Caboolture, then express buses running right to the Ticketing Gate.

The bus services don't start until Boxing Day so organisers are providing a Bus Travellers' Camping – dedicated car free camping space exclusively for those arriving by bus.

It's an attractive camping area – level and well drained ground with trees for shade, and close to the Ticket Gate and Welcome Gate.

This is just another example of the organisers attempting to make this a "green" festival.

People are also encouraged to cycle to the festival by jumping the queue at the Ticket Gate – **Push Bikes may push in!** There's a special camping area for the cyclists too.

Festival organisers offers a free luggage service operating from Paddington in Brisbane, and from Nambour. Luggage can be left at pick up points prior to Christmas and will be waiting for patrons when they arrive. It's then delivered back to the pick up points

on January 2.

The Cyclist Camping area is another attractive car-free area, it has a marquee for secure bicycle parking and socialising, and a mechanical service is supplied if needed.

Are you prepared for storms this coming summer?

All the forecasts for the coming summer indicate that there is a higher than average chance of our area being battered by severe storms.

Now is the time to start to prepare for those storms - it is not a good idea to leave preparations until immediately prior to the storm approaching.

The Queensland Emergency Services recommend that we all take the following steps now so that we are better prepared should storms hit our area.

- Trim trees, remove overhanging branches and clear gutters and downpipes, clear yard of loose materials and rubbish. Residents should ensure existing debris is cleared or secured to ensure it does not cause further damage
- Secure loose roof tiles or sheets. If safe to do so ensure tarps are secure and check temporary roof repairs. Efforts to reassess temporary repairs already carried out on storm affected home are continuing.
- Protect sky lights with wire mesh and fit glass windows and doors with shutters or insect screens;
- Prepare an emergency kit (emergency phone numbers including SES hotline 132 500, portable radio, torch, spare batteries, first aid kit, strong plastic bags for clothing, valuables, and plastic sheets, timber strips, hammers and nails for temporary repairs);
- Check home insurance is current and adequate (Include building debris clean up/disposal costs).
- Make arrangements now with friends or relatives so that should your home be affected by storm damage that you are able to move to a safe location with family or friends.

Gladiators in Maleny!

Who would have thought that gladiators would be seen here in Maleny? Where?

The students of the Maleny Primary School have been rehearsing for weeks for their big musical production, an original Maleny written show - Gladiators!

Gladiators is a fun musical penned by local writer Jo Denver, based on ideas from the fertile mind of MSS student, Jake Neilson.

Maleny's singing postie (and composer musician) Owen Gray has written the foot-tapping contemporary music, and together, this talented team has delivered a musical which promises to be a tantalising glimpse into Ancient Rome, kicking off with the high energy 'Gladiator Strut'.

The storyline proves, as it time-travels and intertwines effortlessly between the past and present, that 'the more things change, the more they stay as they are'. So do not be surprised at what might pop up!

With some very good performances, some from children who

have never been on stage before, over seventy children have made this show their own and are pulling out all the stops to give audiences a knock-out production. They are set to entertain you with a show that has everything - music, dance, comedy.... and a few surprises.

Director Jo Denver and Musical Director Liz Cripps head a dedicated team of parents and teachers who have lent a hand to give Maleny something special for this year's end of school concert.

The primary school hopes to raise funds for much needed music, sound and lighting equipment for their newly built hall, so please support all of their hard work and come and see Gladiators; performances are at the High School Activity Centre on Friday December 3 with a matinee and an evening performance, with an evening performance on Saturday, December 4.

Tickets: adults \$10.00, students \$5.00 or a family ticket \$25.00 (2 adults and 2 children) Bookings at the school or The Bower Bird Maleny.

Clean up your deck now for Christmas Maleny Paint Place

Timber decks are a great place to entertain in the coming festive season. However, there is some maintenance needed to keep these areas in good condition.

A simple solution is to keep a regular coat of decking oil on the timber, both as a preservative and to beautify it.

New Look natural decking oil by Wattyl is a lightly pigmented, transparent oil finish that enhances the timber's natural grain whilst protecting it from harsh weather conditions.

It offers advanced UV protection and water repellent properties to reduce discolouration and deterioration of exterior timber. It is available in a traditional oil based finish.

It is perfect for use on decks, steps, pergolas, screens, gates and outdoor furniture

It is easily applied with a brush, applicator or spray gun.

Under normal weather conditions it is touch dry in 4-8 hours and can be recoated in 24 hours.

Clean up is completed with Min-

eral Turps.

Coverage of decks usually is about 6-10m² per litre and 2 coats are required to give lasting protection.

New Look Decking Oil can be tinted to a limited number of colours. (Water based)

Outdoor timber furniture

Wattyl Paints also make a water based rich, transparent, pigmented oil finish which enhances and protects exterior timber furniture such as outdoor tables and chairs, garden furniture, handrails and screens.

It is available in a 1 lt car or an aerosol spray can for an easy mess free application.

This product is touch dry in 15-30 minutes and can be recoated in about 15-30 minutes wet on wet, or after 2 hours if it has dried.

Clean up of this product is with water. Again the coverage is about 6-10m² per litre and it requires 2 coats.

These products are available at Maleny Paint Place, 6/14 Lawyer Street, Maleny.

Fisher Australia Day Awards

Those who know a local resident who works hard in a voluntary role for the community are encouraged to lodge a nomination for the Fisher Community Australia Day Awards, which will be announced and presented at a special function on Australia Day.

Australia Day in 2011 will mark the 11th holding of the awards. If you wish to have a nomination form, collect one from my office at Buddina or phone 07-5444 4888 and speak to Richard.

Remember, the deadline is fast approaching and Australia Day will be here before we know it.

Funds for Veterans

Veterans groups who are interested in applying for funding under the "Saluting their Service" grants programme are encouraged to visit: www.dva.gov.au/grants

The grants programme helps commemorate Australia's wartime history and honours those soldiers who have served and continue to serve in wars, conflicts and peace-time operations.

The grants have in the past been awarded for research projects, building and restoring war memorials, funding of anniversary events.

Cyber Security

A new office for the computer emergency response team has been opened in Queensland. The office started operations in January and is the main source of cyber security information for the Australian community.

The CERT Australia office aims to ensure that everyday computer systems that provide services to Australia remain safe and secure. The office works in conjunction with similar offices around the world and has established specific programmes for the protection of banking and finance, control systems and telecommunications sectors.

Further details are available at: www.attorneygeneral.gov.au/www/ministers/mcclelland.nsf/Page/Newsroom

Youth Mentoring Programme

A Youth Mentoring Grants Programme is being established as part of efforts to counter any possibility of violent extremism in the community.

The Government's Counter-Ter-

rorism White Paper, Securing Australia, Protecting Our Community, acknowledged the risk of home grown terrorism and highlighted the importance of building a strong and resilient community to resist violent extremism and terrorism.

More information about the Building Community Resilience – Youth Mentoring Grants Program is attached and available at www.ag.gov.au Applications close on Friday 3 December.
